Creative Corner

BLOBS

For this activity you will need:

- paint
- paintbrush
- cup of water for rinsing
- black pen
- paper

Using the paint, create a few shapes across the page; the more obscure the better! (Ideally these will look like random blobs!)

Then, after these have dried, observe the blobs you have just painted. What do you see?

Using the black pen, draw this onto the paint. Perhaps you see an animal, a person, or even a plant.

This activity allows you to transform an originally shapeless blob into a brilliant illustration of your own.
